

GIRL ON A SWING

GIRL ON A SWING

1. SHE'S GOT A FEELING FOR THE SPRING
I'VE GOT ANOTHER SONG TO SING
GIRL ON A SWING, SUCH A PRETTY THING

 2. SHE'S NOT A VICTIM OF DESPAIR
SHE'S JUST A FEELING IN THE AIR
GIRL ON A SWING, SUCH A PRETTY THING

 3. SHE SWINGS, SILENTLY SHE SINGS
HER SONG GIVES MY BODY WINGS
GIRL ON A SWING SUCH A PRETTY THING.
- GIRL ON A SWING - SUCH A PRETTY THING.

GEMINI CHILD

Spent an awful lot of time making tunes and making rhymes
Things that other people do, yeah
From this heap of words and rhyme
I never really gave much time to do something just for you, yeah

Oh, Gemini child you know I love you
I don't really have to tell you
'Cause you know damn well that I do

Anyway it's not so much what I say as
What I do for you girl
So here's a song that I brought out long ago
That really comes from you, yeah

Gemini child, you make life come alive
Suddenly there's so much living to share with you, and I do

Spent an awful lot of time making tunes and making rhymes
Things that other people do, yeah
From this heap of words and rhyme
I never really gave much time to do something just for you, yeah

Gemini child you know I love you
I don't really have to tell you
'Cause you know damn well that I do

Gemini child, you make life come alive
Suddenly there's so much living to share with you, and I do

Gemini child you know I love you
But I don't really have to tell you
'Cause you know damn well that I do
